3rd Grade

Welcome Back Mesrobian

Dear Parents and My New 3rd Grader,

I hope you are enjoying your summer! Although it's early for a back to school supply list, I thought you might want the supply list ahead of time to look over or even to start your shopping now if you wanted to do that.

I am very eager to begin a new school year with my 3rd Graders. I have so many interesting projects, science experiments, and math games planned. The 3rd Graders will be learning many new things and having fun at the same time. We will make it a memorable year!

Please make sure to order the books as soon as possible, especially with the Science series because you need to order it directly through the publisher.

The supply list is listed below, so please take this list with you when you go shopping for school supplies so you can make sure your child has everything needed for the first day of school.

Feel free to email me if you have any questions at nairy.ghoogasian@mesrobian.org, but I will also be setting up Class Dojo in a few weeks as we do for all our Elementary classes so it will be easy for you to see reminders and be able to private message me through the app as well.

See you on the first day of school. Enjoy the rest of your summer!

**Sincerely,
Mrs. Nairy**
